# CVUSD SCHOOL COUNSELING

2025-2026

# MIDDLE SCHOOL

**Report | End-of-Year**

## VISION & Mission

*We envision every student developing the knowledge, skills, and confidence needed for a successful transition to high school and beyond. Guided by this vision, school counselors deliver a comprehensive school counseling program that supports all students' academic, career, and social-emotional development through intentional strategies and activities that foster the mindsets and behaviors necessary for learning, growth, and future success.*
