

LOS CERRITOS MIDDLE SCHOOL COUNSELORS

QUARTERLY NEWSLETTER

What's Happening in Counseling

New to School Group

LCMS School Counselors held a New to School Group for 6th and 7th grade students that are new to LCMS this school year.

D and/or F Progress Grades

We have been meeting with students who earned a D and/or F at the Q1 Progress Report to talk with them about their academic progress and point them in the right direction for improving their grades.

Appointments/Drop in Support

We've been meeting with students before school, at lunch and after school for academic, social emotional and college/career related support

Q 1 GRADE REPORT FOLLOW UP

We will be meeting with students who earn a D and/or F on the Q1 Grade Report to talk with them about their grades and academic progress. We will be encouraging your student to utilize math help and/or other resources available to them to get additional support if needed.

COFFEE WITH THE SCHOOL COUNSELOR (VIRTUAL)

We held a virtual coffee with the school counselor to share information on Social Media and how to best support students in this digital age. If you missed it, the information is on our counseling website under presentations.

CLASSROOM LESSONS

Time management lessons were provided to all 6th grade students on various ways to help support students with time management and organization of their weekly schedules. The lesson was provided to your student through their PE periods. If your child missed it, you can visit the LCMS Counseling website for additional information and resources.

Next lesson: 7th Grade Career Zone in March. More info to come

LOS CERRITOS MIDDLE SCHOOL COUNSELORS

Upcoming Events
