

Top 5 Tips for

Google Classroom

**STUDENT
EDITION**

1

Ignore the Stream!

Focus on Classwork - the Stream is too messy!

Use the browser back arrow.

Otherwise you'll end up back at the Stream.

2

3

Always Turn in or Mark as Done.

You want all your icons gray!

Check in with View Your Work.

This is where you see a summary of all your assignments.

4

5

Bookmark the Classwork page.

It's the quickest way to get straight to Classwork.
